

## 6th Workshop on Network Calculus (WoNeCa-6)

**[WoNeCa-6] Hybrid Event on 8th-9th September 2022**

# EPFL Organization

- All non-confidential info about the conference is on the web site :  
<https://plassart.github.io/WoNeCa/2022/>
- The conference is streamed on zoom (session number announced in the room). If you use zoom in this room, please mute mike and speakers.
- Participant list + WiFi instructions are displayed in room.
- Use slack to communicate between participants and with organizers  
<https://woneca6.slack.com/>.
- On-site slide shows are presented from the computer of the conference.
- Lunch break at 12:00 upper floor, this building.
- Today at **17:00 sharp**: departure by bus to social event (boat cruise), in front of this building. Return is to city center, self-organized (no possibility to leave things on bus). We thank Huawei for generous sponsoring.
- Tomorrow: 8:30 to 12:00 followed by lunch + breakout session.
- JY Le Boudec
